

NEW LENOX WATER COMMITTEE PUSHING FOR FINAL SOLUTION

As a somewhat sequel to the water situation of the south side of New Lenox, attorney Ralph McCoy and Roland Jedlick, two members of the representative committee from the South New Lenox Improvement association recently attended a hearing, which was ordered held in Chicago by the Illinois Commerce commission.

The hearing resulted from a petition filed June 8 with the Commerce commission against the Suburban Water company by the Village of New Lenox and over 40 individual subscribers of the water system. The petition allegedly reported the inadequacies of the water system in detail and the deplorable service. It also requested the Commerce commission to initiate proceedings that would require the Suburban Water company to provide its subscribers with a satisfactory service.

Mr. McCoy reported that the highlight of the meeting came when Judge Warren Henry, examiner for the Commerce commission, informed H. Chaberg, who represented the water company, that it would be necessary for him to provide some form of auxiliary equipment that would insure an uninterrupted water supply. He suggested that this be either another well and pump or adequate storage facilities.

Judge Henry has extended the date for final action upon the petition until the cost of auxiliary or emergency water in order to give the Suburban Water company an opportunity to deny equipment and to submit their plan for improving the water service.

The above activities is the outcome of the residents of this area in New Lenox, being without water at intervals, due to the fact that the one well, drilled about 25 years ago, has frequent break downs and when this occurs, there is no means of having water until repairs are made. This sometimes takes many days, and causes much hardship as well as jeopardy to health.

A general meeting of the Association will be called in the near future.

MEMORIAL RITES FOR MOKENA BOYS LAST SUNDAY

Honoring two Mokena boys who made the supreme sacrifice for their country, memorial services were held last Sunday for Lt. Oliver Lauffer and Lt. Berle H. Needham, in the Mokena Methodist church at 4:00 p. m.

The exercises were under the auspices of Mokena William Martin Post VFW, Norval Robinson commanding.

A large audience had gathered at the church, which was appropriately decorated with bouquets of garden flowers and American and VFW flags.

The guard of honor stood at attention on the pulpit platform throughout the ceremony. He was Ernest Edwards, HM3, Mokena boy in the Navy now at Great Lakes.

Kenneth Tauber, Acting Chief of Staff, stood guard at the rear of the church.

In lieu of caskets a small table draped with the flag, on which rested a Bible, stood below the pulpit.

Commander Robinson as presiding officer conducted the VFW funeral ritual, calling on the following, who responded in turn: Don Neil, presiding chaplain; Wm. Westman, senior vice-commander; Glen Peterson, acting junior vice-commander and Mrs. Dorothy Westman, chaplain of the Ladies Auxiliary VFW.

As each responded they placed in turn alternate red, white, and blue colored garden flowers at each side of the Bible on the flag-draped table, each speaking the appropriate words of the ritual.

Rev. J. Frank Anderson, former pastor of Mokena Methodist church gave the memorial prayer.

Rev. Robert Prater, pastor, gave the memorial address, speaking sympathetically of the supreme price these boys had paid, emphasizing that although ours is a peace-loving nation, peace at times, unfortunately, is maintained only by force, but expressing the hope and conviction that their lives will not have been given in vain if out of it all comes the permanent peace for which all mankind is praying.

Rev. Prater told how both boys were members of this church: boys of the Christian faith who assuredly went to their Christian reward of life everlasting.

The church's mixed choir of young people and adults sang beautifully and feelingly the comforting hymn: "When Skies are Dark."

Thus did our community honor its soldier dead, and express its sympathy to their survivors, Mr. and Mrs. Berle Needham, parents of Lt. Berle Needham, and two brothers, Richard and James; and to the mother of Lt. Oliver Lauffer, Mrs. Florence Steele, his brothers Bristol and George, and sisters, Mrs. Victor Demkov, Mrs. Stanley Piper, and Miss Alburn Steele.

Lt. Needham, a member of the 38th infantry of the Second division, was killed in action at Brest, September 13, 1944.

Lt. Lauffer was lost in action with his plane over the North Sea, returning from a mission over Hanover, Germany, July 26, 1943.

Cop Cup at Annual Picnic in Tinley Park

The Community Firemen's Association, consisting of sixty neighboring volunteer fire departments, held their annual picnic last Sunday in Saenger Hall Grove at Tinley Park.

They put on a great show, with their different stunts for entertainment using their fire-fighting apparatus—especially water.

One stunt of skill that kept the fans all an over-head waterball fight.

A steel ball about 24 in. in diameter is suspended about 20 feet from the ground, on a cable between two poles placed 90 feet apart.

The ball hangs half way between the goal posts, to start. Teams of four men from each department, two teams at a time, line up facing each other, on each side of the suspended ball. The object is to see which team, in five minutes, can push the ball to the opponent's goal post—using streams of water from fire hose as the "pusher."

Best two out of three wins each trial; then the winning teams takes on another four from another department.

In the eliminations for the finals Orland Park first played against the team from Grandview, 87th and Central and won; then they took on Dolton and won; then played Steger, the champs of last year, and won, which made Orland Park winners of the 1948 trophy. Team winning this trophy three times in succession keeps it, and Orland is out to do just that.

Members of the Orland winning team are: Joe Lebens, Frank Franc, Art Granata and Mike Kollmann.

Another popular stunt was the face-to-face water fight, in which contesting teams, with goals 50 feet apart, play a stream of 85 lb. pressure upon each other, keeping it between the knees and the shoulders.

Participating in this contest were Steger, South Holland and South Chicago Heights, with South Holland the winning team.

Special feature was the fight put on between the chiefs, a real "comedy act." Master of Ceremonies, Herbert Diekmann took part in this act, and said he was soaked. Everyone enjoyed it.

The Orland Park firemen will participate in a carnival given by Riverside Fire Department, July 20th to 25th. Orland's fire fighters meet regularly on the second Monday of each month in the Orland Park Village hall.

4-H Picnic Manhattan July 18

The 4H Federation picnic will be held July 18, at Gerdes Woods, Manhattan.

Donna Christiansen, Manhattan, has been named general chairman for the day's activities. She will be assisted by Bill Schoop, Manhattan, Jean Murphy, Elwood and Erwin Goodwin, Wilmington.

All Will County Home Economics and Agricultural members, families, and leaders are urged to attend the picnic and participate in the good fellowship program being planned for the day.

Bill Schoop and Doris Hinspeter of Frankfort, will be in charge of the recreation for everyone from 2:00-5:00. Erwin Goodwin will see that refreshments are available.

A potluck supper will be served from 5:00 to 6:00. Arrangements are being completed for recreation and group singing from 6:00 to 8:00. Group singing will be led by Dorothy Kohl, Mokena.

Candlelighting services and the installation of next year's federation officers will complete the 4H picnic day. Alice Smith will be in charge of the candlelighting service.

Tinley Park Plans Addition to School

The Board of Education of the Tinley Park school is having final plans drawn for an addition to the present school building. This addition will extend East from the present building and will consist of a wing matching the West side of the school. This addition will consist of four rooms, three of which will be regular classrooms and the fourth is to serve as a lunchroom for the boys and girls. The building will be so arranged as to accommodate Community groups for meeting purposes and also will eventually have facilities for serving a large group. Incorporated in the plans are a teachers room and Board rooms as well as storage space for school supplies and equipment.

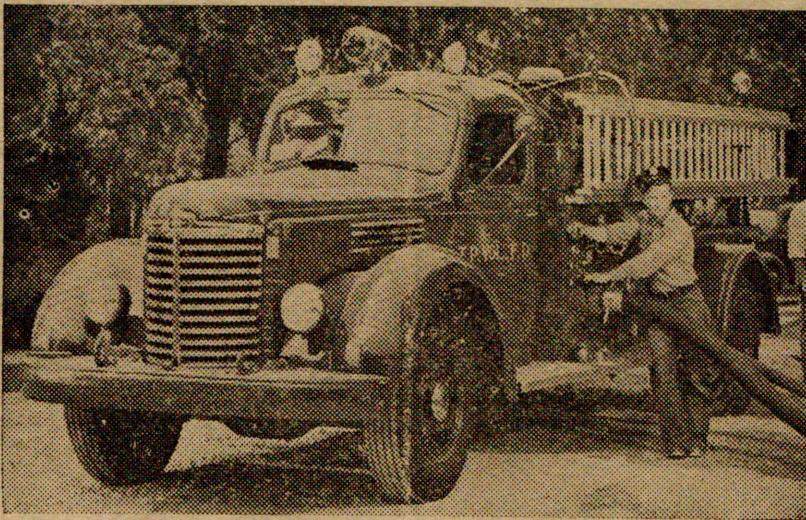

Mr. Sam Wilkins is the architect for the Board. It was Mr. Wilkins who designed the previous addition to the school. He has had much experience in school designing during the past twenty years.

ST. GEORGE'S CARNIVAL IN TINLEY PARK

St. George Catholic church will hold their annual carnival in Tinley Park on the church grounds starting Friday July 18 at noon and continuing till through Sunday night.

A full course dinner will be served Sunday.

There will be entertainment, games and refreshments. A hearty welcome is extended to all.

Tinley Park has improved its fire protection system by the purchase of the new International Fire truck shown here. The purchase of this truck was made possible through the contributions of individuals in the surrounding territory. Shown at the pump controls is Irving Bettenhausen, a member of the Tinley Park volunteer fire department.

TINLEY PARK FIRE DEPT. GETS NEW TRUCK

The Tinley Park Volunteer Fire Department received their new tripple combination fire truck Saturday, July 10, at 4:30 p. m. just in time to be used to pump water for the water fights in connection with the Community Firemen's Association annual picnic, which was held in Tinley Park July 11.

The pump performed very well, reported Chief Edmund A. Moss, and was admired by many people, including the chiefs of the various community departments.

The fire truck carries 750 gallons of water, besides ladders, hose and miscellaneous equipment. Of the purchase price of approximately \$10,700 according to Chief Moss, \$9,351 has been collected to date.

"Please come in and see the fire engine," said Mr. Moss, "and if you have not made your contribution and wish to do so, contact one of the firemen. Don't let your neighbor pay for your protection."

"The boys are proud to work with the apparatus that you have provided for them," said the chief, "and are ready to answer your call for help."

Chief Moss also explained that with the new equipment it would no longer be necessary to leave the town unattended on call. The pumping equipment protected when the other engine was received its initial test at the Firemen's picnic in Tinley Park Sunday.

BIG PARADE JULY 19 TO OPEN R. R. FAIR

One of the most colorful parades ever seen in Chicago now is being arranged for Monday, July 19, day before the gala opening of this summer's mammoth national Railroad Fair.

Taking a major part in the parade will be Mrs. J. L. "Casey" Jones, widow of the famous engineer whom song and legend have immortalized since his fateful crash early in the morning of April 30, 1900 at Vaughan, Miss.

Mrs. Jones, still active despite her years, will be grand marshal of sections of the parade.

The Railroad Fair parade will form at 1:30 p. m. in Grant Park on Columbus Drive, and then proceed west on Jackson Boulevard to State street, and then north to Wacker Drive.

In Mrs. "Casey" Jones' section Chicagoans will have the novel experience of seeing locomotives and trains, motor driven, moving through the loop. One of these will be a full size replica of the "Pioneer," the 10-ton wood burning locomotive which 100 years ago first introduced railroad transportation to Chicago on a run five miles west and back.

Among the locomotives in the parade will be the Rogers of 1838; the Tom Thumb of 1829 as well as replicas of modern equipment.

The Railroad Fair itself will be open for the summer starting July 20, from 10 a. m. to 10:30 p. m. daily. The Fair takes in a mile long trip of lakefront

83-YEAR OLD CHURCH GOES AT AUCTION

A few weeks ago this paper carried an advertisement for the sale, at auction, of the St. Peter's Evangelical and Reformed church in Green Garden. The sale took place as scheduled on July 3, with about 150 persons present.

This church was built 83 years ago and has served as a house of worship for many generations, but at the last only 17 names remained on the church record as members. Other members had moved away or had made connection with other nearby churches of the same denomination. It was clearly the practical thing to do, to close the church and sell the building, and on Sunday, May 30, the congregation gathered for the last time in the church and the Rev. Carl Schrupp pastor of the North Peotone Evangelical and Reformed church, preached the farewell sermon.

The congregation which was founded in 1855, worshipped in the school house until 1865 when the present building was built. The Rev. Leopold Alberti was the first pastor and served for three years. The congregation celebrated their 75th anniversary in 1933.

Hugh Gorman of Monee was the auctioneer and in all his wide experience this was the first time he ever sold a church. There were not many bidders and Francis Eason of Monee was the successful buyer at \$1,600. He is dismantling it and plans to use parts in building a house in Monee. The old curved banister stairway in the church will be used in the new house as well as some of the pews which will be made into a breakfast nook.

The old bell which called the members to worship through all the years, was bought by the Ingalls Park Methodist church in Joliet.

The reed organ and piano brought a very low price and the old kerosene fixtures went to an antique dealer. The church board decided they will give the altar candlesticks and communion set to a missionary church, rather than sell them.

The Green Garden Cemetery association will continue to have charge of the church cemetery, in which are buried many of the congregation members, and also a former pastor.

CONTRACTS LET FOR NEW LENOX BRIDGES

Contracts for two new bridges to be built on Cedar road near New Lenox have been awarded to the Joliet Bridge Co. for \$63,882, by the good roads committee of the Will county board of supervisors, according to Bert Preston, county superintendent of highways.

One bridge will be in Manhattan township, and is to be of the reinforced concrete deck girder type. The other in New Lenox township, will be a slab bridge.

between 20th and 30th streets. Sponsored by the railroads of the nation, it commemorates the real beginning of the final conquest of the west, and the consequent rise of Chicago to become the nation's rail hub.

Here are the WLS Sage Riders who will be at the two-day Homecoming and Carnival given by the Monee Volunteer Fire Department, at the picnic grounds in Monee, July 24th and 25th.

MOKENA STARTS BIG PROGRAM FOR STREET IMPROVEMENTS

Bottino's Statement Regarding New School District Elections

In a notice issued June 28 from the office of the Will County Superintendent of Schools, and addressed "To all School District Clerks and Principals or Superintendents," County Superintendent Louis F. Bottino released information regarding elections to be held on the "Final Report of the Will County School Survey Committee."

He first cites that Section 13 of the School Survey Act reads as follows:

"In the event the final report of any committee recommends the re-organization, establishment or change in boundaries of any school district, then the question of reorganizing, establishing or changing the boundaries of any such school district, as recommended by the committee, shall be submitted to the legal voters residing in the district or the territory affected, at an election to be called by the county superintendent of the county in which such district or territory, or the major portion thereof, is located, within nine months after the final report of the committee was filed with him."

Mr. Bottino then states that the report of the Will County Survey Committee was filed with his office May 31, 1948, and that he has nine months, or until February 28, 1949 in which to hold elections.

"We solicit your help and judgment," says Mr. Bottino, "as to the proper time. We do not deem it advisable to hold the elections until late 1948 or early in 1949 for the following reasons:

"(1) If elections on the Committee's report are held when school is not in session and the election carries, the new district would go into effect immediately. If elections are held when school is in session the new district would not be in effect until the following July 1. We believe if new districts are created, the new Boards should be given ample time to organize and plan for the ensuing school year.

"(2) There are several cases before the State Supreme Court testing the validity of the Community Unit District law. The State Court decision is expected when next it meets in September. Since there is some question as to what the Court's decision may be, we deem it unwise to hold elections on the Survey Committee's Final Recommendations until after the Court has passed on the validity of the Community Unit District."

"Closing his notice, Superintendent Bottino states it is the intention to hold the elections late, as specified, 'unless specifically requested to do otherwise by a sizable number of school authorities in the particular area involved.

"Please feel free," he concludes, "to contact us at any time regarding your thinking on this or other school matters."

Oak Forest Village Board Activities

At their July 2 meeting the village board of Oak Forest adopted their annual appropriation ordinance for the fiscal year.

A budget of \$6,000 was set up for the road fund and \$9,100 for the general corporate. Village treasurer Emil Tschellin's monthly report showed \$1,971.55 in the general fund; \$638.41 in the road and bridge and \$2,380.21 in the village gas tax fund at Springfield. The first two funds have been built up by license revenues, such as business, vehicles, dogs and taverns.

Expenses have been kept down and much time and energy donated to the establishments of the village by its officials and appointees. The president and trustees serve as \$1 a year men. Village Attorney Bernard Cummins has also donated his services along with the \$1 a year men. The general public has lent their hand by suggestions, criticism and active aid in setting up the building and zoning codes.

Building commissioners E. E. Bobbit reported permits issued for four new homes and alterations and septic tanks of a total valuation of \$17,150 and fees of \$66.50 collected.

It was moved by Trustee Carl Cunningham, and Clifford O'Brien that a letter of encouragement and well wishes be sent by the village to the newly appointed fire chief, John Ryan.

This is a fine showing for a newly incorporated village, just a year old.

Frankfort To Hold First Annual Homecoming

The village of Frankfort is instituting an annual homecoming by holding the first one this week, starting Saturday evening July 17 and ending Sunday evening July 18.

The Frankfort Grove on route 45, is the place. The Homecoming is being sponsored by three Frankfort organizations, namely, the Firemen, American Legion and the Sportsmen club. There will be many features of entertainment, games and rides, to interest all who attend. The sponsors announce there will not be an idle moment and extend a cordial welcome to all. Dancing will be a feature Sunday evening.

At a special board meeting last Friday night the Mokena village officials awarded the oil contract for street purposes to the A C Johnston company of Joliet.

This is the first time that Mokena is conducting a complete street project. Every street in the village is to be repaired according to its needs and condition. Grading is now being done, and when that is settled the oil will be applied, which will probably be sometime next month.

Special attention is being given to the two business blocks which extend from the Dunham hardware store west to the alley at the Braun blacksmith shop. The street in this section will be extended to the sidewalk, and street lights will be placed in these two blocks on the side of the street, instead of overhead as is the case now. The bases are already in, for these lights, which will be placed as soon as the Public Service company can get to it.

The past weeks all fire plugs were treated to a coat of paint, white with black trim, harmonizing with the fire truck color.

CAR RUNS INTO NEW LENOX STORE

When a car got out of control Sunday night about 9 o'clock near the I. G. A. store in New Lenox, the car ran down an open space incline between the store and the elevator and rammed into a concrete wall which supports the ground of a driveway going to the basement garage of the store.

Mr. F. E. Anderson of Joliet, who had just acquired a 1942 Packard clipper was teaching his friend to drive, and instead of stepping on the brake, she stepped on the gas, causing the machine to dash off the highway and nose into the wall. No one was hurt and Mr. Floyd Berlin, proprietor of the store said very little damage was done to his store. The car is quite badly damaged. The car carried no license, but it had been applied for. There were no other cars involved.

Organize Disaster Com. in Frankfort

Through the efforts of the Red Cross a disaster committee has been organized in Frankfort to function in any kind of a disaster, storm, fire etc.

It's first project or emphasis is the giving of a refresher course in first aid to all who are interested. The first session will take place in the Frankfort school Monday evening July 19, at 8 p. m. Roberta Morrissey of Joliet will be the instructor. There is no charge for this instruction. The firemen are especially invited.

For information call Mrs. Stanley Johnson (phone 3861) who is the medical chairman for this committee.

Two Grass Fires at Mokena Last Week

The Mokena fire department answered two fire calls last week, both being grass fires.

The first call was Wednesday to the Charles Teague home in Mineral Springs subdivision, where they were using their outdoor fireplace, when sparks set the dry grass afire and it very quickly got out of control.

The second call was last Saturday when another grass fire started in the rear of the Mokena Woodworks, operated by Mr. Pretzel, located on the former Ervin Marti farm. Upon the arrival of the fire fighters, the danger was soon ended by quickly extinguishing the blaze.

Frankfort Man's Hand Caught in Machine

While Walter Carlson Jr., of Frankfort was working on a hay unloading machine last Thursday, he accidentally had his hand caught in the machine. The tip of his little finger was cut off and the third finger tip quite badly bruised. Pulling his hand away quickly saved the whole hand from being crushed.

Manhattan Runs Typical Farm Family

Of interest to Mokena people is the fact that Mr. and Mrs. Andrew Swenberg of Manhattan, is a contestant in the "Illinois Typical Farm Family Selection" of Will county. The Swenberg's son, is a business man of Mokena, being a member of the firm of Swenberg Farm and Auto Service. We are sure they would appreciate having Mokena residents cast their votes for them.

Awarded Scholarship

County Superintendent of schools, Louis Bottino, awarded eight scholarships to Will county high school students last week. Among them is a Frankfort boy, Henry Heuser and Deloris Knichrehm of Peotone high school.

Heuser attended the Joliet township high school. The scholarships will admit these students in any of the five State Normal schools.

**COOK COUNTY PERSONAL
PROPERTY ASSESSMENT FOR 1948
OFFICIAL NOTICE**

This publication is the official notice to property owners, of the 1948 personal property assessments made in the town and district indicated.

THE LAW PROVIDES THAT, WHERE A PROPERTY OWNER FAILS TO RETURN A SWORN SCHEDULE LISTING HIS PROPERTY, THE ASSESSOR OF COOK COUNTY MUST ESTIMATE ITS VALUE ACCORDING TO HIS BEST JUDGMENT AND INFORMATION, AND ADD THERETO A PENALTY OF 50 PER CENT. ASSESSMENTS RAISED ON ESTIMATES AND RETURNS HAVE EQUAL STANDING IN LAW. ASSESSED VALUES LISTED

The amounts herein listed are the assessed values of personal property as of April 1, 1948, as determined by the Assessor of Cook County.

The amount listed as the assessed value is not the tax. The tax may be determined by multiplying the assessed valuation, after it has been equalized by the Department of Revenue of the State of Illinois, by the tax rate in the Town and District in which the property is assessed. The Assessor has nothing to do with the equalization of values or the establishing of tax rates.

**BASIS OF COMPLAINT ON
ASSESSMENTS**

Where a property owner has a specific claim of over or under valuation, complaint may be filed with the Board of Appeals in the County Building, immediately after this notice.

**INFORMATION ON
ASSESSMENTS**

Each property owner who has any questions in regard to the same, should inquire at the office of the Assessor of Cook County, Room 312, County Building. Information will be furnished without cost.

The New Lenox Band Parents Association met Monday night for their regular monthly meeting, in the school.

The condition of Mrs. William Penn, who has been seriously ill in Silver Cross hospital at Joliet, is somewhat improved.

Twenty-two members attended the regular meeting Tuesday, July 6 of the Bluebird 4H club at the Methodist church. Twelve of the girls are enjoying an outing this week, at Camp Shaw-waw-nas-see near Kankakee. They left town Sunday in the Hamilton truck. Mrs. Walter Hamilton, club leader went to camp as counselor. The girls will meet Monday, July 19 at the church.

The Homemakers will meet July 15 at the home of Mrs. Walter Hamilton with

Mrs. Sam Carr as assisting hostess. The lesson on Tufted Rugs will be given. Dessert-coffee will be served at 1:30 o'clock.

Karen Braun spent a few days this past week in Marley with her cousin Cheryl Sass.

The WSCS of Methodist church met at the home of Mrs. Fred Francis Wednesday July 7 with Mrs. Edith Sayers, Mrs. Hazel Selvert, Mrs. Walter Hamilton and Mrs. Olive Frick, assisting hostesses. Fifteen members and two guests were present. Potluck dinner was enjoyed at one o'clock. The business meeting was conducted by Mrs. Ralph Miller in the absence of the president Mrs. Dean Bright. Routine reports were given. Plans were made for the annual bazaar and supper to be held September 23. An apron shower was held at this meeting. A fancy work shower will be given at the September meeting. Devotions were in charge of Mrs. Howard Ayres. The lesson was given by Mrs. Ralph Miller who spoke on His Way in Poland. Mrs. Bert Brown gave the missionary flash. Miss Virginia Donaldson favored the group with piano selections. There will be no August meeting. Hostesses for the September 1 meeting to be held at the home of Mrs. Bert Brown, will be Mrs. J. R. Randall, Mrs. W. Kellogg, Mrs. Ruby Anderson and Mrs. Herbert Duerr. Devotions will be in charge of Mrs. Lois Werner. The missionary flash will be given by Mrs. Henry Miller, and worship leader will be Mrs. Frank Spath.

Mrs. Minnie Duerr of Stonington, who has been a guest for the past two weeks of her son and daughter in law, Mr. and Mrs. Herbert Duerr and son,

left Saturday for Rossville.

Mr. and Mrs. Len Anderson and children Dale and Don, and Mr. and Mrs. Ted Gould and sons Kenny, Donald, and Jerry spent Sunday on a picnic at Cedar Lake, Indiana.

Miss Dotte Jean Anderson is spending several weeks in Saugatuck, Mich. with her grand parents, Mr. and Mrs. A. W. Walsh.

Mr. and Mrs. William Collatz and daughter Carol and Merry Lee, Miss Lois Cox and Ronald Butler have returned from a two weeks vacation at Hancock Lake, Harshaw, Wis.

Mr. and Mrs. Harvey Frick and Norma returned Friday from a week spent at their summer cottage at Hancock Lake, Harshaw, Wis.

Mr. and Mrs. Howard Hutchins and family and Mr. and Mrs. Dean Bright have returned from International Falls, Minn., where they spent two weeks on Lake Kabetogama.

Mr. and Mrs. Ray Osmus and daughter Beverly of Jackson, Mich., spent the weekend here with relatives. While here they attended the funeral services of Mrs. Albert Osmus who passed away Wednesday night. Little Karen Braun returned to Jackson with her grandparents for this week.

Mr. and Mrs. LaVerne Braun, Mr. and Mrs. Harold Sayers, Mr. and Mrs. Otto Bormet and daughter Joy, Mr. Emil Braun, Miss Bernadine Klausung are leaving Saturday afternoon for International Falls, Minn., where they will vacation for two weeks on Lake Kabetogama.

The Boy Scouts of New Lenox visited the Freedom Train in Joliet in a group.

The following registered boy scouts of troop No. 60 have returned from a week's camping at the boy scout reservation on the Waupesca creek south of Morris: Dick Ingram, Don Ingram, Jack Heisner, Leonard Osmus, Robert Fosnaugh, Constance Brown, Edward Wondrasek, Robert Zusag, Larry Greenman. While at camp they were visited by several of the boy's mothers on Thursday. Harry Gougar and Robert Willet motored out on their motor scooter and motor bike. Many awards were won by the boys for rifle shooting and archery, and camp craft.

Mr. and Mrs. Richard Glenn have returned to their home in Tucson, Ariz. after spending a week visiting with relatives and friends. They stayed at the home of Mr. and Mrs. Hubert Ewing and sons. Mrs. Glenn is the former Miss Velva Frantz who was married recently at Tucson. Mr. and Mrs. Ew-

ing entertained at a family gathering and lawn party in their honor last week Sunday. A picnic dinner was served on the lawn, and pictures were taken. Guests present were: Mr. and Mrs. Nolan Weathers, Mr. and Mrs. Russell Weathers and son; Mr. and Mrs. Earl Weathers, and Miss Roanna Frantz of Ridge Farm; Mr. and Mrs. Gene Pentecost of Danville, and Mr. and Mrs. James Frantz and sons of Sadorus, and the honored guests and hostesses.

Little Merrill Sayers celebrated her seventh birthday anniversary Monday.

Her mother, Mrs. Edith Sayers took she and her sister Barbara and Margaret Ann Campbell to the circus in Joliet.

Mrs. Edward Morris underwent surgery in Silver Cross hospital last Thursday morning.

Mrs. Corwin McClain is a medical patient in Silver Cross hospital.

Mrs. Archie Corp, Miss Ardis Corp, Miss Joan Frick, and Mrs. Frank Bordan left Monday by motor for a week's vacation in the Smokey mountains.

Joanette and Chuckie Roberson are recovering from a recent illness.

Rufe's Ramblings By RUFÉ PICKETT

The last time I was down home I was walking along the road one night when I overtook an old friend whom I hadn't seen or heard of in years. He seemed mighty glad to see me again and said he was rather surprised that I recognized him. Of course I could tell that he didn't look so well and strong as he used to before he went over in

West Virginia to work in a coal mine but I wouldn't mention such a thing to him. I thought I knew just what he meant when he told me had spent the last twenty years under the ground.

Well, he and I were walking along talking when we met a feller who said he was the inquiring reporter from the newspaper and the question was, "Do you believe in ghosts?" I told him to ask my friend and he looked at me sorta surprised like and said he would rather have my name and address. And when I got hold of the paper on the following Friday I naturally looked first thing for the Inquiring Reporter. Instead of the answer I had given I was quoted as saying YES in big capital letters, but I'm getting a couple of days ahead of my story. My friend and I walked on till we came to the cemetery on the edge of town and he turned to me and sez, "It's nice to have seen you again Rufe. This is as far as I go." And with that he shook hands with me and was soon lost among the tombstones. I thought his hand felt sorta cold and lifeless like but I didn't know till next day that just twenty years before that he had been shipped back from the coal fields in a box.

Sleep like a baby...in cool comfort—

with *Night Cooling!*

You sleep like a baby every night... when your home has a night cooling fan. The stifling air that turns a bedroom into a hotbox...and keeps you awake...is replaced with cool, night air from outside. The result is cooler rooms - and a good night's sleep for children and adults alike.

As the cool air is circulated through your home or apartment, the moisture on your skin evaporates faster. You feel cooler immediately... you can relax...you're refreshed the next morning.

How a *Night Cooling* Fan Works

An attic or window fan in your house or apartment lowers the inside temperature by pulling in cool night air, circulating it through the living quarters and forcing out the blanket of hot, dead air. This moving air speeds the evaporation of skin moisture - thus, you feel cooler immediately!

You can see for yourself how moving air cools: dampen a spot on the back of your hand and blow on it gently. Feels cooler, doesn't it? This is nature's own way of cooling...brought into your home by a night cooling fan.

Don't let the heat keep you awake this summer... install a night cooling fan now.

The Rev. Coleman is planning to attend the college of Christian Life called by the Bishop for July 19-23 at Urbana.

The WSCS of the Green Garden church met Wednesday afternoon in the home of Mrs. Edwin Dralle.

A district roundup of MYF has been called for Sunday, July 18, at 4 p. m. at the New Lenox camp grounds. A very good program has been planned. A sack lunch is to be brought by each. Ice cream and pop may be obtained on the grounds. The pastor will take a group and invites all who can to plan to drive and take others.

A group of Frankfort young people had a picnic at Van Horn's woods Sunday afternoon.

Among those of Frankfort who saw the Freedom Train at Joliet Sunday were Mr. and Mrs. Alfred Zechlin and son David, Mr. and Mrs. Art Bauch and daughter Janet, Mr. and Mrs. Orville Pyle and Beverly and Mr. and Mrs. F. J. Kohlhaugen.

The Rev. and Mrs. Samuel Weishaar of Kirkland visited at the Frank J. Kohlhaugen home Monday afternoon. Rev. Weishaar was pastor of the Frankfort Methodist church from 1927 to 1932.

Mr. and Mrs. Jake Hostert and daughter Wilma and Kenneth Wise returned home after spending the weekend with relatives at Milwaukee, Wis.

Miss Wilma Mark was back at the organ Sunday morning in the Methodist church, after a short vacation. Miss Vivian Schellhase substituted in her absence.

Mr. and Mrs. Wallace Weichbrodt and family and Miss Betty Vernon have returned from a week's vacation at Wautoma, Wis.

Mr. and Mrs. Herschel Patterson and sons and Mr. and Mrs. Johansen spent several days at Dowagiac, Mich. recently.

Mrs. Leroy Mager met Mr. and Mrs. Glen Folkers at the municipal airport, when they arrived from Washington, D.C. Miss Charlene came out that same evening from Chicago to spend a day with her parents. Mr. Folkers attended a state convention of the Rural Letter Carriers association at Nashville, Tenn. The following day Mr. and Mrs. Folkers traveled to Peoria to attend the Illinois State convention of the Rural Letter Carriers association and Ladies auxiliary.

"Ah-h-hh! That's the Oil I've been looking
for — give me five quarts!"

It doesn't take a crystal ball to discover the advantages of Trojan Motor Oil. All it takes is one crankcase filling—and you'll find them all out for yourself. Trojan is an outstanding premium type motor oil. It is chemically fortified for added resistance against bearing corrosion, sludge,

gum and other objectionable formations.

Remember, a properly lubricated engine is a better performing engine; much cheaper to operate and more enduring.

That's why it's so important to use the best oil you can get—Trojan Motor Oil. It's an exclusive Cities Service product. Try it today!

Flood Control

Illusions

The recent floods in the Pacific Northwest have been seized upon eagerly by political groups which see a chance to carry their program of socialization of the electric power resources of the country a long step further.

The most grandiose of the plans

proposed by a Cabinet officer, would cost \$6,000,000,000 or more. According to a Christian Science Monitor account, it involves 238 separate projects. Forty-two dams would be built to protect 1,500,000 acres of land along the Columbia and its tributaries. And, as a make-weight, it provides for extensive power projects which, it is said, would help pay the enormous costs.

No one wishes to minimize the dam-

age done by high water in the Northwest. But certain facts should be understood before we pour billions into projects whose need and value are dubious. First of all, the Columbia reached its highest stage in more than fifty years. Seldom does it cause any destruction—its normal flood stage is known, and farmers and businesses in the affected areas are prepared for it. A system of dikes has proven generally satisfactory. In that connection, the city of Vanport—which came into being only because it was necessary to provide temporary housing for shipyard

workers during the war—was destroyed when a railroad fill which had never been designed to control floods, let go.

The amount of damage done to agricultural lands by floods is debatable. However, objective surveys show that the greater part of it occurs in headwaters and valleys, rather than on the main streams. Enormous quantities of top soil are carried away. The solution to that lies in scientific soil conservation measures carried on voluntarily by farmers, along with the construction of small dams on tributary streams. Through the nation, thousands of intelligent farmers are proving that they can protect their land.

The worst illusion of all is that we can combine, in one easy package, reclamation, flood control and power development. An empty dam, ready and able to store the flood waters, is useless for anything else. On the other hand, a power dam must be kept largely full—which is why Bonneville dam was of no value when the flood came.

These are some of the reasons why flood control proposals must be examined with tremendous care. They are, beyond question, being used to the limit by those who wish to socialize American industry, starting in with power, and to create more regional dictatorships like TVA. Flood control is simply an appealing camouflage. The people, who are asked to pay the incredible bills, should understand that.

there would be NO towns or NO country, and definitely NO fashions. A man's idea of Heaven, comfortable slippers, and they are cool light-as-a-feather in a wide array of terrycloth scuffs in white and pastels as well as soft-as-down leather topped models featuring both soft and hard soles. Just slip on and relax.

Straws in the Wind. You and your summer hat, straws the thing and leads the field with the most exclusive line of man appeal fibers and fashions in many a year. Long time favorites where fashion leaders meet. Include a wide array of Panama mesh and coconut straws in fashion first pinch crown and pork models, as well as the time

honored sennit sailor. Vote Straw.

The bold look is one of the most important fashion elements in the outer wear showing and to have IT you should be wearing Gigantic, bright yards in jackets, shirts etc. Gabardins in high colors such as oarlet, light blue, bottle green, cedar brown, gold and light gray contrasted by deeper trims and linings, many of which are marked by bold stitching details. White is Right this summer. You don't have to be the bride nor the groom to wear white spun rayon and cotton blends in a linenlike weave is Glamour plus and can certainly boost your stock with the gals or set you in the groove with the lady in your life, be you relaxing in that gaily colored deck chair on ship, or dancing here in our own air-cooled terrace.

It's the bold look for you. Self-confidence isn't something that can be packaged and sold at the corner drug or grocery stores. Too bad—but that's the way it is! Self confidence is something that's entirely within a person, it's part of his character and his personality. But the appearance that a man makes—the manner in which he displays his dominant personality to the world—that's something else again. He can look like the assured, confident successful American that he is—by wearing the Bold Look. The Bold Look is the first real news from the Ground up note in men's clothes since pony-express days. It's a keen, direct look-you in the eye and take your measure look. There's nothing timid about it; it's as virile as an ice cold shower—as American as the Constitution! It is always in good taste. So gals if the groom has not yet acquired his New Look, let us form a committee of one and when we are buying him a gift or just replenishing his wardrobe, remember to be in either Town or Country fashions, he will be wearing the Bold Look.

While Governor Dewey believes that we must help Europe through the Marshall plan to some extent, he could be depended upon to look more closely after the welfare of his own country than some of the other candidates who are proving internationalists regardless of their homeland.—Michigan Times.

HAVING A WONDERFUL TIME!

By Vi Vennetti

Are you sending this famous and overworked American vacation line? Possibly you are. This advice then should interest you. Staying home? This is still a good deal, we suburbanites have all the advantages of a high priced summer resort and the comforts of home. So slip your mint julep or in our case right now it has to be iced tea as we are fresh out of julep thought we do have mint in the garden, so if you have the makings draw up a chair, hammock or any comfortable deck chair, and we'll take a quick jaunt to vacation-land be it far or be it near.

Take the summer out of summer in an open weave shirt. Yes we include the head of the house in our Town and Country fashions for without him

THE BIBLE SPEAKS
International Uniform Sunday School Lessons
By LOUIE D. NEWTON, D. D.

SCRIPTURE: Ruth.
DEVOTIONAL READING: Psalms 28:6-9.

Naomi, Woman Of Faith

Lesson for July 18, 1948

IF WE are to understand Ruth, the heroine of the book bearing her name, we must know Naomi, her mother-in-law—woman of faith in God and surpassing patience and sacrifice in service to her day and generation.

Dr. Newton

IN SEARCH OF BREAD

FAMINE in Judah, where Elimelech and his wife, Naomi, and their sons, Mahlon and Chilion, dwelt, drove them to Moab, in search of bread. Elimelech died, and the sons married young women of Moab, Ruth and Orpah. And then the sons died. Naomi, feeling that she must not longer remain in Moab, announced her intention to return to her native land, and bade Ruth and Orpah farewell. In one brief decade Naomi had lost husband and sons, and now she longed for home.

"INTREAT ME NOT TO LEAVE THEE"

ORPAH accepted Naomi's suggestion, and turned away to her own people; but not so with Ruth. She loved Naomi. She could not give her up. Naomi had done something for Ruth in those years of sorrow and loss.

"Intreat me not to leave thee, or to return from following after thee; for whither thou goest, I will go; and where thou lodgest, I will lodge. Thy people shall be my people, and thy God my God. Where thou diest, I will die, and there will I be buried. The Lord do so to me, and more also, if I ought but death part thee and me."

With these sublime words, Ruth lashed herself to Naomi, and together they started on the long trek to Bethlehem.

WHEN FAITH CONQUERS

HERE we witness conquering faith—conquering faith in the hearts of Naomi and Ruth. And they come to Bethlehem. It was the harvest season, and Naomi directed Ruth to glean in the field of Boaz, a wealthy and generous-hearted citizen of Bethlehem. Faith in action! And the world loves the story of Ruth becoming the wife of Boaz, and thus the mother of Obed, the grandfather of David the king in the ancestral line of Jesus Christ, the King of kings.

And Naomi, through her conquering faith, held in her arms the little baby, Obed, and dreamed of God's unfolding purposes to bless the world.

In this unsurpassed romance we witness faith in adversity, faith in association, faith in conduct, faith in claim, faith in confidence, and faith in a glorious climax.

WHEN FAITH CONQUERS

LIFE is always ennobled when faith conquers. It is easy to imagine how history might have missed this beautiful love story, had not Naomi been a woman of conquering faith. She might have given up and over to her great sorrow and pined away in grief and defeat.

But Naomi followed the gleam. And her trust in God shed its gentle glow into the lonely heart of the Moabite widow, Ruth. Ruth came unto Naomi. She could not do otherwise. "Truth is stranger than fiction."

And all history was enriched. It is ever so when faith conquers. Thus the poet states the case:

"God moves in mysterious ways,
His wonders to perform,
He plants his footsteps on the sea,
And rides upon the storm."

(Copyright by the International Council of Religious Education on behalf of 40 Protestant denominations. Released by WNU Features.)

Faith

I cannot conceive that God could make such a species as the human merely to live and die on this earth. If I did not believe in a future state, I should believe in no God.
—John Adams.

Where there is no faith, there can be no endeavor.

Believe In Life

To believe in immortality is one thing, but it is first needful to believe in life.—Stevenson.

What is the highest secret of victory and peace? To will what God wills, and strike a league with destiny.—W. R. Alger.

Mr. and Mrs. Ray Jacobs returned July 10 from a vacation trip to Blair, Nebraska where they visited Mr. Jacob's sister and brother and many other relatives who they had not seen in 14 years. They had a nice trip and the farmers were in the midst of harvesting. Crops are fine. Their corn is about head high.

Mr. and Mrs. Charles Treinen and son John of Remsen, Iowa accompanied by Mr. and Mrs. Jack Kemp of Mapleton, Iowa and Mrs. Lucy Johler of Blue Island were visitors in the Walter Mancke home last week.

Mrs. George Keuch has returned from the Presbyterian hospital where she underwent surgery.

A group of Tinley Parkers had a picnic at the Sand Dunes state park in Indiana July 11. They were Shirley Booth, Donald Wilkin, Marilyn Wesolowski, Brown Campbell, Nanette Wilkes, Everett Willman; Patty Lou Brandriff, Joe Bartholomew, Joan Matthews, Bill and Kenny Jones, Billy Cupp, Billy Van from Kentwood, La., Jacqueline Ford, Dallas Webster, and Mr. and Mrs. Eljar Monson.

SPECIAL NOTICE

Orland Park and Worth in Class A League will play a night game at Cole-Lentz Field, Thursday night July 15.

Orland Park 5 Lincoln AC 3

Sunday, July 11 the boys from Orland Park took on the undefeated Lincoln AC of Chicago Heights and gave them a thorough beating 5 to 3.

Orland held a 4 to 0 score at the end of 5 innings and in the first of the 6th Lincoln scored 3 runs. Orland scored again in the 7th and from there on in Merrill Doogan held the opposition well in check.

Harold Ziebell, Orland's catcher, held the attack with 3 hits. Doogan pitched great ball allowing only 3 hits.

Thursday night Orland will meet Worth at Cole Lentz Field, East Ave., and Route 66, 8:30 game time.

Next Sunday Phoenix, will be at Orland Park. Starting time is 2:30.

Orland is now in second place in the winning 5 while losing 3.

league standings, and going strong. The boys have high hopes of catching the front Lincoln AC with a remarkable record of 8 and 1.

Sportsmen Win Over Phoenix

On Sunday July 11 the Tinley baseball club playing at home, beat Phoenix 13 to 6.

The Sportsmen got off to a good start in the first when Cummins rolled out 2nd to first. Anfield then walked and Kuech struck out. Nasebardi was safe when Onak drew Podgorny off the bag trying to force Anfield at second. Anderson then came up with a timely triple scoring Anfield and Nasebardi Ficker struck out to end the inning.

In the second Tinley batted around when Lloyd struck out, Fierchau singled and Baer walked. Cummins doubled Fierchau home, Anfield singled to score Baer and Cummins. Kuech struck out for the second out.

Nasebardi tripped Anfield home and scored when Podgorny fumbled Anderson's roller. Ficker then struck out to end the inning.

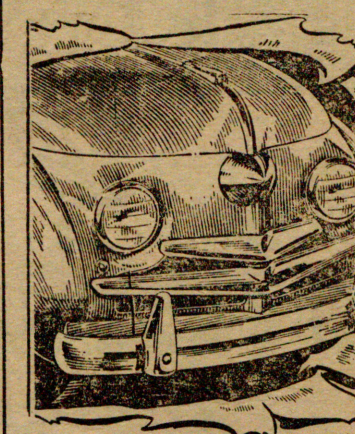

The Sportsmen kept in the scoring column by getting one run in the 3rd two more in the 4th and three in the 6th innings.

Kenny Fierchau held Phoenix to 8 hits and allowed 6 walks while striking out seven.

Sylvester hurling for Phoenix allowed 10 hits, three of which were for extra bases, 5 walks while striking out 15.

On Sunday, July 18 Tinley will play Oak Forest at Oak Forest.
